School Uniform Changes—September 2015

From September 2015 girl's school uniform will be as follows:

Girls will wear grey skirts, dresses or trousers with navy blue cardigans or jumpers and a white polo shirt and grey or white socks. This will bring the girl's uniform in line with the boy's uniform. Summer dresses are to be navy blue and white (checked or striped), and grey tights are to be worn when the weather is cold.

Boy's school uniform will remain the same: grey bottoms and navy blue jumper with a white polo shirt.

Time Explorers' Event - Anne Boleyn

This week everyone in the school, from Nursery up to Year 6, have been learning about the life of Anne Bolyen as part of the Thurrock Trailblazer Project. The children took part in different activities - singing, dancing, art, drama, design and technology projects and even some food tasting! All the children's hard work were displayed in the 'Anne Bolyen Museum' which all the classes visited. During the afternoon assembly on Thursday, some classes performed songs, dance routines and plays to the rest of the school. It was a wonderful experience to work together on one specific topic as a whole school. The children and adults really enjoyed it! Photos will be published on our school website very soon.

A big thank you for Miss Brand for co-ordinating the week.
