

## English

In English this half-term, the children will be studying the text 'How to wash a woolly mammoth'. Children will then be studying a variety of instructions and the features of these including imperative verbs, time connectives, adverbs and conjunctions. Towards the end of the half term, they will write their own.

**Suggestions of ways you can support your child's English:** Ask your child about grammar at school and how they would use this. Follow instructions together at home including recipes.

## Science

Our science topic for this half-term is forces and magnets. The children will be very hands on to develop their scientific enquiry skills. We will be comparing and grouping everyday materials.

## Extra Information

**PE:** 3G's PE days are Wed and Thu and 3HG's are Wed and Fri. Please ensure children are wearing correct PE kit and no jewellery on these days (earrings can be taped up at home if needed).

**Water Bottles:** Please ensure that your child brings sufficient water for the whole school day. If this is a shop bought bottle, please ensure that this is clearly labelled with your child's name.

**Homework:** Is on Google Classroom every week. Please encourage your child to complete this so they can receive their merits.

**White T Shirt:** All children will need a white t-shirt to create some art on before the last week of term. This can be an old school t-shirt. Thank you!

## Year 3 Learning Overview Autumn 2

### Trips and Experiences

We are visiting Chelmsford Museum on Tuesday 21<sup>st</sup> November. Each class will need a few helpers. If you are able to help, please let your class teacher know.

We are hoping to have a visitor in school to teach us about the woolly mammoth found in Aveley.

We are going to watch the Nutcracker on 06/12/23. More information to follow on parentmail.

## Maths

In Maths this half-term, the children will be looking at addition and subtraction. We will be looking at both mental methods and formal written methods such as column method. We will also be looking at adding and subtracting money. Children will continue to learn their multiplication tables.

**Suggestions of ways you can support your child's Maths:** Please encourage your child to go on Times Table Rock Stars. Look at everyday mental addition and subtraction for example shopping.

## Topic

Our topic for this half-term is the Three Ages. We will continue learning about developments through the three ages including the Iron Age. Children will compare the ages and how these have impacted our lives today.

Spellings for this half-term are on Google Classroom, please encourage your child to practise these.
