

## English

In English this half-term, the children will be looking at different types of newspaper articles and then using the features of these, to write their own. They will focus on the active and passive voice, time connectives and reported and direct speech.

### **Suggestions of ways you can support your child's English:**

Discuss what newspaper articles are and when they would use one in everyday life. Discuss appropriate and relevant news stories from around the world.

## Science

This half-term, we will be studying Animal Including Humans. The children will learn about gestation periods, foetal development, looking after our mental wellbeing and puberty.

### **Extra Information**

**PE:** Will be on a Monday and a Thursday (5B) and a Wednesday and a Thursday (5H).

**Water Bottles:** Please ensure that your child brings sufficient water for the whole school day. If this is a shop bought bottle, please ensure that this is clearly labelled with your child's name.

**Merits:** All merits will be awarded on a Monday for behaviour, reading and homework. Please encourage your child to bring in their reading records everyday so any other merits can be given.

**Homework:** Is on Google Classroom every week. Please encourage your child to complete this so they can receive their merits.

## Year 5 Learning Overview Summer 1

### Trips and Experiences

**Friday 24<sup>th</sup> May 2024** –  
Tower of London – this is part of our History topic on Tudors.

**Tuesday 2<sup>nd</sup> July 2024**–  
National Art Gallery London – this is part of our Art Curriculum.

We require parent helpers for the National Art Gallery trip, if you would like to volunteer, please contact your child's class teacher.

## Maths

In maths this half-term, the children will be consolidating their learning on percentages, decimals and fractions. We will then learn about measurements – starting with length and then understanding area and perimeter. The students will learn how to convert units of measurement and use practical methods to support their understanding.

**Suggestions of ways you can support your child's Maths:** Please encourage your child to go on Times Table Rock Stars. Their log in is in their reading record.

## History/ Geography

We will begin our fabulous new topic of learning about the Tudors, starting with discovering more about the time period and Henry VIII. As we progress through the unit, we will understand more about Tudor life.

Spellings for this half-term are on Google Classroom please encourage your child to practise these.
