

**Kenningtons Primary Academy**

**Science topics 2016 - 2017**

<b>Year Group</b>	<b>Autumn</b>	<b>Spring</b>	<b>Summer</b>
<b>1</b>	Animals including humans Seasonal change	Everyday materials Seasonal change	Plants Seasonal change
<b>2</b>	Animals including humans (BV- encourage students to accept responsibility for their behavior)	Materials	Living things and habitats Plants (BV- encourage students to accept responsibility for their behavior)
<b>3</b>	Rocks Animals including humans	Magnetic forces Plants (allotment focus)	Plants including plant life cycles Light
<b>4</b>	States of matter Electricity	Animals including humans including puberty (not sexual relationships)	Living things and habitats Sound
<b>5</b>	Forces Properties and changing materials	Habitats Living things	Animals including humans including Sex and relationship education (puberty and sexual relationships) Earth and Space
<b>6</b>	Living things and habitats Light	Electricity Animals including humans	Evolution and inheritance Sex and relationship education (not puberty already taught)
