Health & Well Being

Reminders

How much sugar is in your child's pudding?

Chocolate pot

Did you know a chocolate pudding pot can contain up to **5 sugar cubes** in one serving? Use our sugar calculator to find out how easily sugar can add up throughout the day!

Swapping is easy!

When you next shop, make a swap to lower-sugar puddings like sugar-free jelly, lower-sugar yoghurt, lower-sugar custard or fresh and tinned fruit (in juice).

Top tip

Fruit is always the best choice for a pudding and counts as one of your 5 A Day. You can buy little fruit salad pots that are great for kids and handy to have in the cupboard. Or make them up yourself!

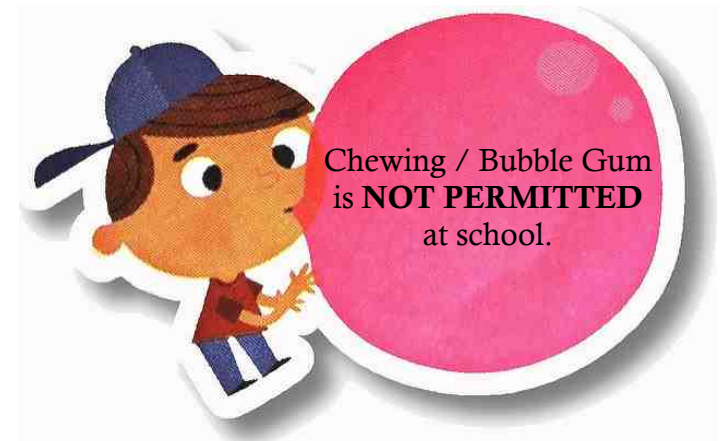

We have had complaints from our neighbours regarding parking was shocked to see one parent actually parked **ON** a neighbours drive ! Please ensure that you park safely and legally.

Mrs Sawtell-Haynes

Due to the school attending the 02 Event, Singing Club on Monday 4th February 2019 is **cancelled** and a £2 refund will be made.

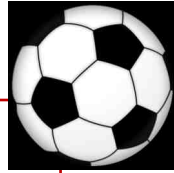

Please make sure you are checking your ParentMail E-Mails and Text Messages regularly.

You can edit your contact details on ParentMail at anytime, but please make sure you notify the School Office as well so we can keep our records up to date.
