On Thursday 14th February, Kenningtons held their annual Democracy Day vote. Over 400 children voted for the charity that they wanted their charity day donations to go to and this year's winner was The Rainbow Trust.

The Rainbow Trust support families who have a children aged 0-18 years with a life threatening or terminal illness and need the bespoke support they offer. We managed to raise £403.80 for a great cause. Well done everybody!
