Some of our Year 3 children have had a wonderful experience by participating in The Royal Opera House's 'Chance to Dance' scheme.

The children were handpicked by The Royal Opera House to, not only attend weekly ballet classes, but also to perform on stage at The Royal Opera House in Covent Garden. The children have enjoyed this experience greatly and should be so proud of all the hard work and dedication they have shown, to this experience.

Miss Northover and Mrs Burns attended the show on Saturday 29th June, where the children performed 'The Firebird and the Egg'. The show was amazing and the children were phenomenal! It was a proud moment for both the teachers, school, pupils and their parents! We would also like to thank the parents for their continued support and for taking the children to London to attend all the rehearsals in June.

We really hope that the children continue to enjoy ballet and will remember the day where they performed on stage to an audience, for the rest of their lives!

Well done to all involved!

In June 2019 we launched our new sports facility:  
The Sports Pavilion.

This is a space where our children can prepare for their PE lessons, sporting events and where we can host the 'away' teams during sports matches. Sport and PE Education is a big part of Kenningtons Primary Academy and we have achieved amazing results this year.

We are extremely proud of our sporting pupils, what a great way to celebrate !
