Note from the Headteacher

Please have a look at the link below which shows how Kenningtons has been rated by an independent website.

The rating is based on a number of measures and I am delighted to say that we are ranked as **581 out of 14,749** primary schools nationally.

This is a wonderful accolade of all the hard work that staff at school put in, which benefits your children.

It is however disappointing to see that whilst all attainment and progress measures are 5 star, attendance is only 3 star. There is lots of work still to be done to ensure that children come to school everyday.

I hope that parents will try really hard over the coming terms to ensure that children attend school every day, particularly by ensuring that holidays are taken outside of term time.

RECYCLE YOUR CRISP PACKETS!

Every year countless pieces of crisp packets end up in landfill sites across the UK. We are working with TerraCycle* to put an end to this enormous loss of resources.

The Crisp Packet Recycling Scheme allows us to recycle your crisp packets and prevent them from ending up in landfill.

Not only are you helping the environment, but the waste you recycle with us also helps to fund schools or organisations.

LEARN PANTOSAURUS' FIVE EASY RULES FOR STAYING SAFE

P RIVATES ARE PRIVATE
Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first. Remember, what's in your pants belongs only to you.

A LWAYS REMEMBER YOUR BODY BELONGS TO YOU
No one should ever make you do things that make you feel embarrassed or uncomfortable. If someone asks to see or tries to touch you underneath your underwear say 'NO'—and tell someone you trust and like to speak to.

N O MEANS NO
You always have the right to say 'no'—even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel if you want to say 'No' it's your choice.

T ALK ABOUT SECRETS THAT UPSET YOU
There are good secrets and bad secrets: if a secret makes you feel sad or worried, it's bad—and you should tell an adult you trust about it straight away.

S PEAK UP, SOMEONE CAN HELP
It's always good to talk about stuff that makes you upset. If you're worried, go and tell a grown up you trust—like a family member, teacher or one of your friend's parents. They'll say well done for speaking out and help make everything OK. You can also call Childline on 0800 1111 and someone will always be there to listen.

Remember all of these rules and they'll help you stay safe, just like Pantosaurus
