Health & Well Being

Make a swap!

Try adding hot milk to shredded wholegrain cereal on a cold winter morning!

Make breakfast even tastier!

For a delicious alternative to sugary cereal, try our 'Three bears breakfast' recipe made with oats, apples, frozen raspberries and lower-sugar yoghurt.

Breakfast Tip!

Low-sugar cereal like wheat biscuits, porridge and shredded wholegrain are always the best choice. But if your kids are struggling to give up their favourite sugary cereal, try mixing their usual frosted cereal with a lower-sugar or plain variety. Then gradually increase the amount of lower-sugar cereal each day.

RECYCLE YOUR CRISP PACKETS!

Every year countless pieces of crisp packets end up in landfill sites across the UK. We are working with TerraCycle® to put an end to this enormous loss of resources.

The Crisp Packet Recycling Scheme allows us to recycle your crisp packets and prevent them from ending up in landfill.

Not only are you helping the environment, but the waste you recycle with us also helps to fund schools or organisations.

Crisp Packet Target for Easter:

3000

Crisp Packets already Recycled:
