Weekly Learning Overviews

It is important to us to keep parents updated about what pupils are working on in school and ways that their learning can be supported at home. Each week a Learning Overview will be produced for each year group.

The weekly Learning Overviews can be viewed on the Kenningtons website (www.kenningtonsprimaryacademy.co.uk) under 'Children' - 'Year Groups' and will also be issued via ParentMail.

Helping children to get better and better at everything they do

The taster sessions next week are free. **Your child must be accompanied by an adult.** Please be aware that if you attend a taster session this **does not** guarantee your child a place at the club. Water in School

We would like to remind parents that pupils are only permitted to drink water at school. Please do not send your child into school with any other beverage.

Pupils may have water bottles (with only water in them!) on their desks to keep hydrated during lessons and there are jugs of water available in the dining hall for both packed lunch and school dinner children.

Jeans for Genes day September 23rd

The whole school will be taking part in Jeans for Genes Day on Friday the 23rd September 2016. We would like to invite pupils to come to school that day dressed in jeans. They may wear non-uniform tops but please note no football kit is to be worn. A £1 donation is requested for Genetic Disorders UK charity. Children who are not participating in Jeans for Genes Day must come to school in correct school uniform

Children must have the following PE kit in school:

Black slip-on plimsolls, blue shorts or black shorts and a plain white T-shirt. PE kit should be kept in a drawstring bag. **All pupils are expected to have PE kit in school.** Please also note that because of health and safety regulations, we do not allow any jewellery to be worn in school.

As the weather becomes cooler pupils are permitted to wear tracksuit bottoms and sweatshirts in school colours to supplement the standard PE kit pictured.
