Class Photographs 2017

Last year parents and guardians were given the chance to vote on whether they would prefer the class photographs to be taken by a member of school staff (and emailed to parents/guardians for free) or taken by a professional photography company.

This year we would also like to offer parents and guardians the chance to express an opinion on this. Please let us know your preference in our online survey

<https://www.surveymonkey.co.uk/r/5M2LSV3>

Due to parent feedback, we will not be re-contracting the photography company behind the individual pupil photographs in November 2016. We will be looking for a new photography company this year.

Working for Charity

The Kenningtons Primary Academy community has been really busy lately! We are delighted to announce that we have raised £356.78 for Children in Need 'Spotacular' in November 2016. We have also raised £415.44 for Little Havens Hospice during our non-uniform day in February 2017.

In addition parents and pupils donated 33.8kg of food to the Thurrock Foodbank as part of our Harvest Festival drive in October 2016. We hope everyone in the Kenningtons Primary Academy community is really proud of themselves and the good work they are doing!

The Health Spot - Washing those hands!

We ask all parents to please remind their children about the importance of good hand hygiene and help them get into a good routine of washing their hands properly after going to the toilet.

This can help to prevent the spread of illness such as sickness and diarrhoea as well as help prevent other maladies such as worms.
