Helping children to get better and better at everything they do

Mothers Day Stall

We would like to thank the parents who arranged the Mothers Day stall this year.
We hope you enjoy opening your presents.

Interhouse Events

Can we please remind parents that any interhouse event taking place in school we are requesting you do not bring younger siblings due to Health and Safety.
Thank you for your co-operation in this matter.

Lion King

Those attending the Lion King Theatre trip on Monday 1st April 2014 please make sure you read the letter that was sent via parentmail. This letter gives you all the relevant information you need regarding picking up times etc.

KS1 Cross Country

Well done to all the children who took part in the above event. The school was not placed in a ranking position but the children tried very hard. Thank you for all the parents who came to support their children.

New Dinner Menu

The week beginning Monday 31st March 2014 the dinner menu will be week 3.

Please note that on Thursday 3rd April 2014 there will be no tex mex bean burrito. Instead the option will be fish fingers or cheese and tomato slice chipped potatoes, baked beans or garden peas. Easter cake, shortbread biscuit or seasonal fruit.

Lost Property

Parents please ensure that your child brings home their coat, jumper etc prior to the end of term. Any personal items left in lost property over the holiday period will be disposed of. Thank you.

Headlice

We have had quite a few children being treated for headlice. Can we ask that you regularly check your childs hair. If you are treating your child there is no need for them to be absent from school.

Wet combing

- Wash the hair using ordinary shampoo and apply plenty of conditioner, before using a wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb. Make sure the teeth of the comb slot into the hair at the roots, with the bevel-edge of the teeth lightly touching the scalp.
- Draw the comb down to the ends of the hair with every stroke, and check the comb for lice.
- Remove lice by wiping or rinsing the comb.
- Work methodically through the hair, section by section, so that the whole head is combed through.
- Rinse out conditioner and repeat the combing procedure. Repeat the procedure on days 5, 9 and 13, so that you clear young lice as they hatch, before they have time to reach maturity.
