Pre-Booked Appointments During School Time / Medical Evidence

If your child is absent from school due to a pre-booked medical appointment, or an appointment due to illness, please ensure you inform the school in advance **and bring the medical evidence to the office so it can be copied for your child's file.**

- Every effort should be made to arrange medical appointments outside school hours.
- Medical evidence (such as an appointment card from the doctor/dentist/hospital) is required in advance.
- If it is necessary for your child to be out of school for this reason, they should be returned to school directly after the appointment.

THURROCK LOCAL SAFEGUARDING CHILDREN

Hairstyling, Makeup and Nail Varnish

A reminder of our policies:

Hairstyles should not be attention seeking. Extreme styles such as sculptured names/symbols, mohicans or dyed hair are neither appropriate nor acceptable for children of primary school age. For health and safety reasons long hair should be kept out of children's eyes and fully tied up for PE.

Because of health and safety regulations, we do not allow any makeup or nail varnish to be worn in school.

Please check our webpage at
