

July 2026

Dear Parents and Carers,

It's been another busy year at Kenningtons. The school is ending 2025/2026 on a celebratory note.

It was good to see some of you who attended the end of year prizegiving. Prizegiving is an opportunity to recognise exceptional effort, hard work and progress in class, excellent effort and achievement in sport and music and commitment and dedication in pupil responsibility roles. But the school doesn't just wait for the end of year to recognise success and effort; throughout the year children receive Headteacher awards, merit awards, employee of the week awards and sporting success is celebrated in assembly. The school believes that recognition of effort and success is important for children to continue to succeed.

Another celebration at the end of the year was the art exhibition 'Kenningtons Creates'. I am sure that those of you who came in to see the exhibition were very impressed with the variety and exceptional standard of art on display. You will also be able to look through your child's own art portfolio workbooks to see how their skills have developed and improved through the year. The school certainly have some budding artists!

More to celebrate, is the KS2 SATs results. Once again Year 6 children have achieved impressive results. This will stand them in good stead as they move on to secondary school. Excellent SATs results are achieved through excellent teaching not just in Year 6 but in every year of your child's time at Kenningtons. Teachers' dedication and hard work are key to your child's success. All staff here at Kenningtons contribute to making this school such a great place to send your child. For Kenningtons to be a success, we are fortunate in having leadership with drive and ambition – it has that in the Headteacher, Mrs Sawtell-Haynes and the Deputy Headteacher, Mrs Clarke. Both are committed to making the school the best it can be.

Parents and carers are an integral part of the school's success. I thank you for your support you give the school and your children. The school appreciates the feedback you have given - it confirms that the school is getting it right and will always act on any constructive suggestions where it can.

So, as we say goodbye and good luck to Year 6 as they continue their education in secondary school, I wish you a good summer and hope you are looking forward to seeing what Kenningtons has to offer your children in 2026/27.

Mrs Sarah Sayers
Chair of the Governing Body
