

Science 2025 – 2026 Curriculum

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year N Weekly activities in addition to U/W table	All About Me – PS not used Me & my world	Autumn and Winter	Spring and growing Winter	Science Week -working scientifically skills and activities. Spring growing	Animals	Summer Under The Sea
	Seasons, Celebrations and Traditional Tales activities taught throughout year. Keeping Healthy unit is taught through Managing Self themes. Water activities constantly available inside and outside . Resources such as magnets, magnifying glasses, mirrors always available. Natural objects available to explore such as shells, conkers, pine cones always available					
Year R Weekly activities in addition to U/W table	Senses Colour – PS not used	Autumn and Winter People who help us	Spring Dinosaurs (carnivores/herbivores. adaptation)	Science Week – working scientifically skills and activities. Also covers habitats and adaptations in Mythical Creatures topic	Minibeasts	Summer
	Seasons, Celebrations and Materials activities taught throughout year. Keeping Healthy unit is taught through Managing Self themes. Growing is a theme covered throughout the year in the Nature Area – bulbs, sunflowers etc Water activities constantly available . Resources such as magnets, magnifying glasses, mirrors always available Child-led linked activities : hygiene in PSED (experiments using bread and varying degrees in dirty hands)					
Year 1	Animals including Humans	Animals including Humans	Materials	Science Week	Plants	Materials (SE Focus)
	Seasonal Change throughout the year					
Year 2	Animals including Humans	Animals including Humans	Materials	Science Week	Plants	Living Things and their Habitats
Year 3	Plants	Rocks, Soils & Fossils	Forces	Science Week	Light	Animals including Humans
Year 4	States of Matter	Living Things and Habitats	Animals including Humans	Science Week	Sound	Electricity
Year 5	Forces	Properties of Materials	Living Things and their Habitats	Science Week	Animals including Humans	Space
Year 6	Living Things and their Habitats	Animals including Humans	Electricity	Science Week	Evolution and Inheritance	Light
