

Literacy

In Literacy this half-term, we will be sharing these books together:

Jack and the Beanstalk
Jasper's Beanstalk
Sam Plants a Sunflower
The Enormous Turnip
The Easter Story

For phonics we use 'Monster Phonics' Phase 1.

The programme develops speaking and listening skills. Children learn to become attuned to the sounds and begin to develop oral blending and segmenting skills. This teaching lays the foundations for teaching of systematic synthetic phonics.

Suggestions of ways you can support your child at home:

- Share books together
- Support your child with recognising their name and other familiar logos/signs.

Nursery Learning Overview Spring 2

Maths

In Maths this half-term, the children will be learning about the number 6, height, length, weight and capacity!

Suggestions of ways you can support your child's Maths:

- Discuss routes and locations using words like 'in front of' and 'behind'.
- Make comparisons between objects relating to size, length, weight and capacity.
- Compare quantities using language: 'more than', 'fewer than'.

Extra Information

Thank you to everyone who has donated unwanted toys. We are on the look out for metal pots, tea pots and bangles for our home corner.

Easter Bonnet Parade – This will take place during the week commencing 25th March

Thank you for your support
Mrs Coles

Topic

Our topic for this half-term is 'Growing'. We will be planting broad beans, sunflowers and cress.

If you have any spare seeds, bulbs, compost or pots we would be very grateful.
