

# Kenningtons Primary Academy

Learning Overview for Year: 2

Week Commencing: 11<sup>th</sup> September 2023

## English

This term we are focussing on the story of Little Red Riding Hood. This week the children will be building on their knowledge of the story from week 1 (reading the story, watching it, acting it out and Hotseating as characters from the story). They will create a character pie and use this to write a description of one of the characters from the story. They will also collect adjectives to describe Grandma's house and then use these to write a setting description.

**Suggestions of ways you can support your child's English: Ask your children to Hotseat as a character from the story and you ask them questions.**

## Maths

We are working on place value. In week 1 the children used Dienes to show tens and ones in numbers. They used practical resources to build numbers, drew numbers using Dienes and cut out images of dienes to represent numbers. This week the children will be partitioning numbers. They will practise how to do this and then find different ways to partition them. They will use Dienes to help and also draw them.

**Suggestions of ways you can support your child's Maths: Ask your child to tell you how many tens or ones are in a given number. (e.g. In 24 How many tens are there?)**

## Spellings

This week we will give out a paper copy of the spellings (In reading record) . The tests are on Fridays. When Googleclassroom is set up the spellings will be on there. Each week there are 12 spellings. These words will be tested on Friday 14<sup>th</sup> September 2023.

The spellings are:  
Cage, sage, age, huge, change, charge, village, page, stage, hinge, door, floor.

**Suggestions of ways you can support your child's spellings: Please practise as much as possible!**
