

English

In English this half-term, the children will be learning about an author study, an author called Johnny Duddle and his text 'The Cave of Doom'. They will be doing character and setting descriptions and writing their own versions.

Suggestions of ways you can support your child's English:

Compare and contrast different story settings and characters.

Science

This term for Science we will be learning about living things and their habitats. We will be learning about how different animals become suited to their environments and how their habitats provide for their basic needs.

Year 2

Learning Overview

Summer 2

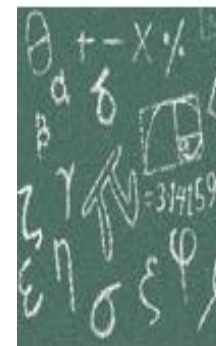

Trips and Experiences

SAVE THE DATE!

Rescheduled Trip to Southend Pier

Trip to Belhus Park!

Maths

In Maths this half-term, the children will be looking at measurements- mass, capacity, length and volume. We will also be learning about positioning and direction.

Suggestions of ways you can support your child's

Maths: Find objects around the house and use different scales of measurement.

Topic

This half-term we will be focusing on History and Victorian seaside holidays. The children will look at how holidays have changed over time and make comparisons. They will learn about entertainment, accommodation and how people travel to the seashores.

Extra Information

P.E: PE will continue to be on Tuesday and Thursday.

Water Bottle: Please send children in with a reusable bottle or a shop brought bottle. Label with child's name. Only water please.

Merits: Merits are awarded for behaviour, reading and homework. Reading records must be in school everyday.
