

English

In English this half-term, the children will be learning about Enid Blyton and her book, *The Enchanted Wood*, in a Book Study unit. The children will learn about her as an author and write pieces of work linked to previous genres.

Suggestions of ways you can support your child's English:

Continue to read four times a week with your child and focus on making your child pause and full stops.

Science

This term for Science we will be learning about plants. We will be labelling different parts of a plant and look at life cycles of plants. Children will also be looking at what a plant requires to stay healthy, such as water, sunshine etc.

Extra Information

P.E: PE will continue to be on a Monday and Tuesday.

Water Bottle: Please send children in with a reusable bottle or a shop brought bottle. Label with child's name. Only water please.

Merits: Merits are awarded for behaviour, reading and homework. Reading records must be in school everyday.

Homework: Homework is set every Friday and will be tested the following Friday.

22nd June

Maths

In Maths this half-term, the children will be looking at measurement such as: mass, capacity, length and volume. We will also be learning about positioning and direction including compass points and directional positioning.

Suggestions of ways you can support your child's Maths: Find objects around the house and use different scales of measurement.

Topic

This half-term we will be continuing our unit called *Splish, Splash, Splosh*. The children will look at seaside holidays today and comparing these to holidays in Victorian times, in the 50's and in the 60's. They will also learn how tourism has an affect on the environment.

Spellings are set every Friday. Spelling test will be the following Friday.
