

English

In English this half-term, the children will be writing persuasive appeals from the Dogs Trust/RSPCA. They will learn a range of different persuasive language features and include these in their writing. They will then write their own persuasive appeal.

Suggestions of ways you can support your child's English:
Read various myths and legends with your child.

Science

Science Week (9th March – 13th March)
This half term children will have Science every afternoon in Science week where they will be carrying out a range of different experiments all about curiosity.

Extra Information

PE: Will be on a Tuesday and a Thursday (4M) and Tuesday and Thursday (4K).

Water Bottles: Please ensure that your child brings sufficient water for the whole school day. If this is a shop bought bottle, please ensure that this is clearly labelled with your child's name.

Merits: Merits will be awarded on a Monday for behaviour and spellings and a Thursday for reading and maths test. Please encourage your child to bring in their reading diary everyday so any other merits can be given.

Maths Homework: Just a reminder these are in your child's reading record.

Year 4 Learning Overview Spring 2

Trips and Experiences

Wednesday 4th March –
Kew Gardens
(3 parent helpers required
per class)

Maths

In Maths this half-term, the children will be continuing to learn about fractions by adding and subtracting them. They will then move onto decimal points and money.

Suggestions of ways you can support your child's Maths: Please encourage your child to go on Times Table Rock Stars. Their log in is in their reading record.

Topic

Our topic for this half-term is rainforests. The children will be learning about the Amazon Rainforest, why rainforests are under threat and the impact consumers all over the world have on rainforests.

PSHE – Just to inform you that this half term the children will be learning about how their bodies change as they get older.

This will include learning about the menstrual cycle and wet dreams; this is very scientific based and not about relationships. If you have any questions, please do not hesitate in speaking to the class teacher.
