

English

In English this half-term, the children's writing will be linked to Good Night Mr Tom. They will be writing a Biography followed by a Newspaper report. They will look at the various language features for each genre and practise using these skills. Each genre will generate a final piece for their Boasting Book.

Suggestions of ways you can support your child's English:

Encourage your child to read at least 4 times per week. This must be with a leveled library book in order to collect merits for reading. ~~Talk to the children about what they have read and question their understanding.~~

Science

Our science topic for the Autumn term is Living things – animals and plants. Within this topic, we will now be moving on to other kingdoms within classification. The children will have the opportunity to carry out a range of investigation from a yeast race to a mouldy bread investigation.

Extra Information

PE: Will be on a Monday and a Wednesday (6B) and Tuesday and Wednesday (6CW).

Water Bottles: Please ensure that your child brings sufficient water for the whole school day. If this is a shop bought bottle, please ensure that this is clearly labelled with your child's name.

Merits: Please ensure your child brings their reading diaries and levelled reading book to school each day.

Homework: Is on Google Classroom every week. Please encourage your child to complete this so they can reinforce their learning. Please make sure that your child is wearing the correct uniform on each given day. We have noticed that some children have been wearing their PE kit when they should be in their uniform!

Year 6 Learning Overview Autumn 1

Trips and Experiences

WW2 Visitor (Topic) 30th
November

Maths

In Maths this half-term, the children will combine to learn about number. In particular, they will be learning about multiplication and division. As well as that, they will move onto prime numbers, squared numbers, factors and multiples. Within these areas they will have the opportunity to demonstrate what they have learned in previous years.

Suggestions of ways you can support your child's Maths: Please encourage your child to complete their daily quick 5 and access Times Table Rock Stars if they need to practice.

History

Our topic for this half-term is WWII. The children will have History focus for this half term. They will learn about why Britain went to war, evacuees, propaganda as well as gaining an overall understanding of the war effort and Germany's demise.

Spellings for this half-term are on Google Classroom, please encourage your child to practise these.
