

English

In English this half-term, the children will be writing a flashback story based on The Piano. They will focus on their use of both past and present tense and how to switch between the two. Following on from that, they will study poetry and write descriptive text based on it.

Suggestions of ways you can support your child's English:

Encourage your child to read at least 4 times per week. This must be with a leveled library book in order to collect merits for reading. Talk to the children about what they have read and question their understanding.

Science

This half term our science will take place during 'science week', 11 – 15th March when we will be focussing on renewable energy.

Extra Information

PE: Will be on a Mondays and Tuesdays for both classes. (6B)

Water Bottles: Please ensure that your child brings sufficient water for the whole school day. If this is a shop bought bottle, please ensure that this is clearly labelled with your child's name.

Merits: Please ensure your child brings their reading diaries and levelled reading book to school each day.

Homework: Is on Google Classroom every week. Please encourage your child to complete this so they can reinforce their learning. Please make sure that your child is wearing the correct uniform on each given day. We have noticed that some children have been wearing their PE kit when they should be in their uniform!

Year 6 Learning Overview Spring 2

Trips and Experiences

VR experience – 12th March

Chelmsford Museum – 19th March

Maths

In maths this half term, the children will learn about angles, shape, measures (incl. time), ratio, mean averages, statistics, position and direction.

Please continue to support your child by sending them to maths booster; their attendance is having a positive impact on their arithmetic skills and accuracy.

Suggestions of ways you can support your child's Maths: Please encourage your child to complete their daily quick 5 and access Times Table Rock Stars if they need to practice.

Geography

Our topic for this term is mountains. The children will learn about famous mountains around the world, how they are formed, mountain climates and tourism linked to them.

Spellings for this half-term are on Google Classroom, please encourage your child to practise these.
