

English

In English this half-term, the children will use the Greatest Showman as a stimulus to write a formal persuasive letter, a monologue for one character and two persuasive speeches - one formal and one informal.

Suggestions of ways you can support your child's English:
Encourage your child to read at least 4 times per week.

Science

For British Science Week, 9th – 13th March, Year 6's focus will be on planning different types of scientific enquiry, taking measurements with accuracy and recording data and results of increasing complexity.

Extra Information

PE: Will be on Wednesdays and Fridays for both classes.

Water Bottles: Please ensure that your child brings sufficient water for the whole school day. If this is a shop bought bottle, please ensure that this is clearly labelled with your child's name.

Merits: Please ensure your child brings their reading diaries and levelled reading book to school each day.

SATs: Week beginning 11th May. Arrangements for the week will be advised after Easter.

A Stubbers meeting will be arranged for the parents of the children attending, before the end of term. Date to be advised.

Year 6 Learning Overview Spring 2

Trips and Experiences

Stubbers w/b 18th May

Maths

In Maths this half-term, the children will focus on angles; measures and conversions; shape, including reflection and translation; co-ordinates; statistics; and interpreting data.

Suggestions of ways you can support your child's Maths: Please encourage your child to complete their daily quick 5 and access Times Table Rock Stars if they need to practice.

Art

Art this half term will focus on architecture, using pencils and water colour paints to sketch and colour building materials such as wood, stone, brick and tiles. The children will learn how to sketch using one and two-point perspectives.

Spellings are recorded in your child's learning record. Please encourage your child to practise these ready for their weekly spelling test.
