Overview
Ofsted publishes this data to provide a more up-to-date picture of the results within Parent View. This management information covers submissions received in the previous 365 days for independent schools and maintained schools and academies in England.
Within these releases, you can find:
- an overall question-by-question breakdown of the results for both school types
- a further breakdown of these results by phase and region for maintained schools and academies
- data on the number of submissions received and the response rates for the above categories
- for publications from 2018 onwards, individual school-level data for schools with 10 or more submissions
